### 3 Notes for employer

#### Class 1A National Insurance contributions (NICs) due

You need to pay Class 1A NICs on taxable expenses and benefits, unless Class 1 or Class 1B NICs are due. The brown boxes marked '1A' on the P11D indicate that you need to pay Class 1A NICs but you also need to include benefits you've payrolled, and not included on form P11D. You can find more information in booklet CWG5 'Class 1A National Insurance contributions on benefits in kind. A guide for employers'.

You need to pay Class 1A NICs shown on the return to the Accounts Office. For details on how to pay, go to [www.gov.uk/pay-class-1a-national-insurance](http://www.gov.uk/pay-class-1a-national-insurance)

Your payment must reach us by:

- **19 July** if paying by post
- **22 July** if paying by an approved electronic method

Please note that if 22 July falls on a non-banking day, you'll need to pay early unless you are using Faster Payments. There's more information on our website. We charge interest on late payments.

The filing deadline is 6 July. If we've not received your return by 19 July, we'll charge penalties. The amount we charge is £100 for each month or part month the return is outstanding, for each 50 employees or part batch of 50.

#### P11D Forms

You must complete P11D for each employee or director who receives taxable expenses or benefits from you, or from a third party by your arrangement unless:

- you registered online before the start of the tax year to payroll all taxable expenses and benefits, and you've taxed them in full
- the expenses were covered by an exemption, or an agreed bespoke benchmark rate
- you've arranged a PAYE Settlement Agreement with us

Whether you taxed the benefits through your payroll or not, you need to give your employees a copy of the information you've reported on a P11D or your Full Payment Submissions on or before 6 July, so that they can complete a tax return if they get one.
